4	DSC	414	JB's 80	BRANDYHOLE	CAMEL

## **SailEast Scoring system explained**

When a Regatta consists of more than three races (e.g. Felixstowe), SailEast will take a boat's best three results from these races.

Due to the automatic calculation used, the results will be shown in ascending order rather than the order in which they were achieved at the Regatta.

### **Example 1: (more than three races sailed)**

#### **Regatta Results**

	Race 1	Race 2	Race 3	Race 4	Race 5
Boat A	1	2	1	2	1
Boat B	2	1	2	1	2

#### **SailEast Results from above Regatta**

	Race 1	Race 2	Race 3
Boat A	1	1	1
Boat B	1	1	2

### **Example 2: (three races sailed)**

#### **Regatta Results**

	Race 1	Race 2	Race 3
Boat X	2	1	2
Boat Y	1	2	1

#### **SailEast Results from above Regatta**

	Race 1	Race 2	Race 3
Boat X	1	2	2
Boat Y	1	1	2

As can be seen in the example, this will make it appear that more than one boat has won each race!

The SailEast scoring system differs from Regatta scoring only for 'non-placed scorings' as defined in SailEast NoR & SI's paragraph 5.3 in the Handbook.

In any Regatta where the Class divisions are different to those used by SailEast, SailEast will recast the results from the Regatta in to its own divisions for allocating Series points, as per NoR & SI's paragraph 4.0 in the Handbook.
